

Certificate

Based on the results of an independent survey, Forbes recognizes

General Insurance Corporation Of India

as one of

**Global 2000 -
Best Regarded Companies**

Methodology

15,000 respondents from more than 60 countries were asked to give their opinions on the companies via a worldwide poll through an online access panel. The 250 companies receiving the highest total scores are awarded as the Best Regarded Companies within the Global 2000 list.

The evaluation of the companies' reputation was based on the dimensions "Trustworthiness / Honesty", "Social Conduct", "Company as an Employer" and "Performance of the Product/Services".
